# EXPERIMENT 4

ROLL NO: 230701311   NAME: SHRADHA S

Create a prototype with familiar and unfamiliar navigation elements. Evaluate ease of use with different user groups using proto.io

Screen 1:

Sign In page for the destination app

Screen 2:

Home page:

Familiar Icons:

1. **Hamburger Menu (☰) - Top Left:**

    o   A common icon representing a collapsible navigation menu.

    o   Clicking it usually opens a sidebar with options like Home, Settings, and Profile.

2. **Search Icon (🔍) - Below the Heading:**

    o   A widely recognized icon used for searching within the app.

    o   Clicking it typically opens a search bar where users can type queries.

3. **Three-Dot Menu (⋮) - Near "Trending Styles":**

    o   Represents more options or actions related to the section.

o   Often used for settings, sorting, or additional functionalities.

Possibly Unfamiliar Icons:

1. **Explore Button:**

    o   This is not an icon but a button that might lead to more details or booking options for the resort.

    o   It's common in travel and e-commerce apps but might be designed differently.

2. **Time (08:04) - Top Right Corner:**

    o   This is a standard phone status display but may also indicate a feature like a time-based greeting or notification.

Screen3:

Resort 1 page:

Screen4:

Resort 2 Page:

Familiar Icons:

1. **Back Arrow (←) - Top Left Corner:**

    o   A widely recognized icon used for navigation.

    o   Clicking it will likely take the user back to the previous screen.

Screen 5:

Resort 3 Page:

Familiar Icons:

1. **Back Arrow (←) - Top Left Corner:**

   o A widely recognized navigation icon.

   o Clicking it will likely take the user back to the previous screen.

2. **Time Display (08:07) - Top Right Corner:**

   o A standard phone status indicator that shows the current time.

Screen 6:

Profile page:

Familiar Icons:

1. **Profile Icon (Circle Placeholder - Top Left):**
   - Represents the user's profile picture or avatar.
   - Clicking it may allow users to edit their profile or view account details.

2. **Transaction Icon (▭ or similar) - Next to "Transaction":**
   - Commonly used for payments, purchases, or financial records.
   - Clicking it likely opens transaction history.

3. **Coupons Icon (▣ or Tag Symbol) - Next to "Coupons":**
   - Represents discounts, offers, or vouchers.
   - Clicking it may show available coupons for the user.

4. **Heart Icon (♡) - Next to "Favourite":**
   - A universally recognized icon for saved or liked items.
   - Clicking it will likely show favorite places, hotels, or deals.

5. **Logout Icon (▯ or ↩) - Next to "Log out":**
   - Commonly represents signing out of an account.
   - Clicking it will log the user out of the app.

Screen 7:

Booking page:

Familiar Icons:

Familiar Icons:

1. **Back Arrow (←) - Top Left Corner:**
   - A widely recognized navigation icon.
   - Clicking it will take the user back to the previous screen.

2. **Left & Right Arrows (← →) - Near the Month Name (February 2025):**
   - These are used to navigate between months in the calendar.
   - Clicking them allows users to select different check-in and check-out dates.

3. **Calendar View with Highlighted Date (22):**
   - A standard UI element in booking applications.
   - The selected date is highlighted, indicating the user's check-in/check-out selection.

4. **"Reserve" Button - Bottom Right:**
   - A common call-to-action (CTA) button.
   - Clicking it likely confirms the selected dates for booking.

Screen 8:

Confirmation page:

Familiar Icons:

1. **Back Arrow (←) - Top Left Corner:**
   - A common navigation icon used in almost all mobile apps.
   - Clicking it will take the user back to the previous screen.

2. **Star Icon (☆) - Rating Indicator:**
   - Represents the rating of the resort (4.5 stars).
   - A familiar UI element used in travel, e-commerce, and review-based apps.

3. **Payment Button ("Pay") - Bottom Center:**
   - A standard call-to-action (CTA) button used for confirming transactions.
   - Clicking it will likely redirect the user to a payment gateway.

4. **Left & Right Arrows (← →) - Between Check-in and Check-out Dates:**
   - Used for navigation between different date options.
   - Clicking these might allow the user to modify their selection.
